Subject: Variance Meg and Theron Dobson

Ann Arbor Zoning Board,

My name is Marion van Luenen and I live on 705 Mount Pleasant. I am very lucky to have Meg and Theron Dobson as neighbors.

They are helpful, fun and caring people. I am very excited for their addition and hope you will give them the variance to add a front porch to their addition.

A front porch will add character to the house and the neighborhood.

Thanks,

Marion van Luenen and Koos Zwaanenburg
