

MEMORANDUM

TO: Planning Commission
FROM: Hank Kelley, Deputy Planning Manager
DATE: January 07, 2025
SUBJECT: FY25 City Council Policy Agenda Feedback

City Council periodically solicits input from advisory boards and commissions to inform the Council's updated policy agenda. No legislative updates have been provided to Council since the FY23 Policy Agenda.

At its [December 10, 2024 Working Session](#), the Planning Commission identified the priorities in the below proposed motion for Council consideration.

If Planning Commission wishes to provide this, or any other feedback, a motion as follows would suffice:

Proposed Motion
<p>The Ann Arbor Planning Commission proposes these items for consideration in the City's FY25 Policy Agenda:</p> <ul style="list-style-type: none">Pursue Michigan Building Code modifications to enhance sustainability and housing opportunities, including potential adoption of ZERO Code Renewable Energy Appendix.
