

## Greenbelt Advisory Commission FACILITATOR'S AGENDA

July 11, 2019  
4:30 PM - 7:00 PM

### DESIRED OUTCOMES

---

1. Review strategic planning process, timeline, and GAC role.
2. Discuss and refine the proposed approach to stakeholder engagement.
3. Identify GAC values, priorities, and potential strategic questions.

### AGENDA

---

#### **Official Business**

**20 min**

*Jennifer Fike*

Roll call, minutes, election of officers, call for public comments

#### **Overview of the Strategic Planning Process**

**15 min**

*Remy Long*

*Anica Madeo, Bridgeport Consulting*

Introduce Bridgeport Consulting; Round of introductions (name, how long on GAC, and what drew you to this work). Overview of strategic planning process and revised timeline. Questions of clarification.

#### **GAC Early Impressions**

**30 min**

*Anica; All*

Based on what you have seen, or heard, of the first 15 years of the Greenbelt initiative, what success are you most proud of? What is one aspect of the program that is worth carrying forward? What is one thing you would like to see considered for the future of the Greenbelt (i.e. something new to *start* doing, or something to *stop* doing)?

**Community Voices** **10 min**

*Anica; All*

We'll share what Bridgeport has gleaned from our review of the U-M survey and Greenbelt news coverage regarding community perspectives. Then we'll share a [proposed agenda](#) for upcoming stakeholder engagement sessions and ask for feedback.

**15 Years of the Greenbelt - Presentation** **15 min**

*Remy*

Remy will share a draft version of the presentation we plan to share during stakeholder engagement sessions. Questions of clarification.

**Discussion** **10 min**

*Anica: All*

What aspects of the draft "15 Years of the Greenbelt" presentation resonate for you? What suggestions do you have for further refinement?

**Emerging Strategic Questions** **20 min**

*Anica: All*

We'll recap the strategic questions that have emerged from our discussions today and generate additional potential areas of exploration. Which of these questions do you see as a particularly high value or high priority? What questions do we want to ensure that we test with stakeholders?

**Next Steps** **10 min**

*Anica: All*

Presentation revisions; key stakeholders for engagement; summer township talks

**Call for Public Comments** **15 min**

**Appreciations and Closing** **5 min**
