

Section 1 - Solar and Storage

Solar and Storage

Measure Description	Unit	Price
Solar Panel	Per Watt	\$1.88
Balance of System	Per Watt	\$1.45
Battery	Per kWh	\$1,426.67
Electric Panel (Basic)	Per Panel	\$4,400
Electric Panel (Smart)	Per Panel	\$6,900
Solar PV Enclosure (External Wall Only)	Per Enclosure	

Solar panel to be used will be REC ALPHA 450W 25yr Warranty parts
and production

Enphase IQ8X Microinverters

Franklin 15KWH Battery

200 amp Panel UL61730

SPAN Smart Panel

Solar PV enclosure not needed with Franklin Battery.

solar panels with a minimum 12-year product, 20- year linear power warranty. Panels must be UL61730 certified.

Inverters and all other balance of system equipment must be UL61730
Minimum of 13 kWh per battery. Must be UL61730

200 amp panel, inclusive of all wiring. Must be UL61730

200 amp panel, inclusive of all wiring. Must be UL61730

Custom built enclosure with plugin temperature control for battery performance and warranty
