Subject: ZBA25-0008: 2103 Copley

Hello -

I am writing in support of the variance for the replacement of the existing screen porch at 2103 Copley. I am a neighbor at 2127 Wallingford. I have been in the back yards of 2105 Copley, 2127 Woodside, and 2131 Woodside which all can see the backyard of 2103 Copley. From each of these backyards who would be most affected by a variance, I do not think the existing porch structure is out of character with the home or the neighborhood. It is not noticeable. As such, I believe they should be able to have their new screened in porch as nothing is changing.

Thank you,
