Commission Meeting Updates

- Regularly scheduled updates - 10 minutes
- Updates precede scheduled work sessions – off site public meetings with presentations and opportunities for residents to ask questions and provide feedback

Work Sessions

Opportunity to Partner with Library to hold regular meetings on four sustainability areas

Short presentation format

- Overview of issues and context (global/national) – commissioner? University? – 10 min
- NGO presentation – Where are we? Where are we going? – 10 min
- 2-3 Staff presentations on core issues – Where are we? Where are we going? – 10-15 min
-
- Panel discussion with audience

Commissioner Opportunitites

- Better use of CTN – Short (1 minute) of each commissioner with what residents should know (celebrate) and what we should be working on?
- Field Trips?

Joint Commission – Staff Retreat

Half Day Retreat – 9-1 (Saturday?)

Climate and Energy

- 3-4 (5 minute) staff presentations on Where we are? and where we are going?
- Facilitated Roundtable Discussions of Priorities for the upcoming Fiscal Year - role of each commission in furthering sustainability priorities (30 minutes)

Land Use and Access

- 3-4 (5 minute) staff presentations on Where we are? and where we are going?
- Facilitated Roundtable Discussions of Priorities for the upcoming Fiscal Year - role of each commission in furthering sustainability priorities (30 minutes)

Natural Resources
