Hi,

I left a message with Stefanie a few weeks back, I'm resigning.

This city wouldn't help me get an application for a dumpster to clean out the house of my friend who was murdered. All I got was red tape, from the administrators office and on to three other bureaucrats.

They offered thoughts and prayers at a council meeting, and not one of them have been down to talk to people in the neighborhood; they get nothing from me.

Thanks,

Eric
