**Subject:** Support for Apple Playschools' Child Care Project

Hello!

I am a current Apple Playschools parent, and am writing in support of the proposed child care project at 503 Miller Ave, up for discussion at the meeting on 3/7.

My support comes as I am a full-time working parent with 2 young children, and accessible, affordable child care is critical to my family's financial wellbeing. When we moved to MI almost 2 years ago, we were waitlisted for childcare at 6 day care locations and were lucky to have 2 spots open for our sons at Green Apple just weeks before we moved. Some of the waitlists were more than 2 years long.

An additional child care location would make childcare more accessible to working parents. I have been pleased with the care my children have gotten at Apple Playschools, and hope to see the program expand to the location at 503 Miller.

Thank you!
