I am unable to attend the meeting and would like more information.

From what I have seen I am not happy with what is happening in Ann Arbor.

I did not move here 40 years ago to live in a cement city and that is what you are turning our town into.

Ann Arbor was a cute town where I felt comfortable as a single woman moving to.

Now it is becoming a town unrecognizable with all the building that has already taken place.

I understand the need for housing here in our community. Yet the huge Overpriced apartments are not the solution.

There has to be a better way than what is taking place.

Sincerely,

Stephanie Miller
