Re: 221-223 Felch St and 214 West Kingsley St 51 Unit Condo building public meeting March 1, 2016,
7PM - Rezoning Petition

Hello,

My name is Roger LeLievre and I am the property owner at 523 N. Ashley St abutting the subject property. I fully support the rezoning petition as I believe it will remove a dangerous and blighted building from our neighborhood. I am also in favor of the site remediation and stormwater mitigation work proposed by this developer.

Thank you,

Roger LeLievre
