In the first resolved clause, replace the language “from the approved Street Millage capital budget” with “from nthe approved General Fund public art transition budget”

So the full resolved clause would now read:

RESOLVED, that City Council amend the E. Stadium Bridges Art Project (fund 0056) from \$400,000 to \$440,000 by appropriating \$40,000 from the approved General Fund public art transition budget for purposes of completing this project;
