Comments:								

36th Annual Ann Arbor Preservation Awards 2023

Preservation

Presented in recognition of superior maintenance of a significant property to preserve its essential historical, cultural or architectural value for a period of 10 years or more.

717 W. Huron St.

717 W. Huron St. in Ann Arbor's Old West Side Historic District on July 2, 2023. Ryan Stanton | The Ann Arbor News

This lovely Tudor Revival style home has majestically looked over Huron Street since 1906. It was built for Titus Hutzel, a member of a prominent German family that installed the central plumbing system in Ann Arbor in 1900 and is still in business today as Hutzel Plumbing.

Hutzel was also active in civic affairs, serving as an alderman, President of Board of Public Works, and trustee of Forest Hill Cemetery. Today's owner, Terri Marra, has kept it in fantastic condition since 1982. (Old West Side Historic District)
