Dear Planning Committee,

We are writing this letter of support for our dear neighbors, Marcia Polenberg and Ted Ramsey who live at 524 South First Street. They are wishing to expand and renovate their kitchen and have already met with a wonderful architect and a skilled contractor. We know this because these are the same individuals who worked on our kitchen renovation during the summer of 2020. We live directly across the street from Ted and Marcia and frequently share meals with them. Marcia is an amazing cook who loves to entertain and does wonders in her very small space. If anyone is deserving of a more spacious and functional kitchen, it is definitely Marcia. It would make many of her friends very happy if you would approve of their plans and get her cooking! Thank you.

Sincerely,

Carolyn Berge & John Sullivan
