To whom it may concern,

I'm writing as a resident of Woodland Mews, off Oakbrook drive. I received a notice of public hearing regarding the lot referenced in the subject line.

I would like the Zoning Board of Appeals to know that I support the rezoning of the area from Office to Multiple-Family Dwelling. I also support the variance requested by the property owner, Rob Wagner, if it means the new housing can be built.

I believe Ann Arbor is in desperate need of more housing, and that giant empty lot seems a perfect place for one.

If any further comments or clarifications are needed, I am happy to provide them.
