Subject: Comments on ZBA23-0018: 1817 Abbott Ave.

Dear Mr. Barrett and ZBA Members,

I am writing in support of this project. We live at 1810 Abbott Ave, Ann Arbor, MI 48103, across the street from the property seeking a variance. In our opinion, the addition will make the home more attractive from the street, providing some welcome staggering to the levels and setbacks. More importantly, as long-time residents of this street (28 years), we have noted a new and welcome trend in more recent years. Rather than living here as a "starter house," and moving away as their family grows, most families now want to stay on Abbott, and are more invested in the neighborhood. We support allowing variances to permit modest additions to accommodate growing families and our neighborhood stability and cohesiveness.

Thank you for the opportunity to comment.

Best Wishes,
Kyla Boyse
