Subject: City Golf Courses

To the Mayor, City Council, Planning commission, and City Manager:

We write to say that we are strongly OPPOSED to using Huron Hills Golf Course and Leslie Park Golf Course for anything other than what they were intended for, namely, recreational golf. I have long considered both courses to be a vital part of the city's parks and do not want to see them redeveloped for housing or commercial enterprises.

Thank you for your attention to this matter.

Sincerely,

James & Kathleen Mitchiner
1265 Barrister Rd., Ward 2
