Subject: Bikeway on Miller questions

Hello,

From what I can gather online, a new all ages all abilities bikeway will be constructed on Miller Ave in 2024 during the road reconstruction. I had a couple of questions:

1. Will both lanes of the bikeway be on the south side of Miller?
2. How will the bikeway be separated from cars? A curb?
3. What will happen from the stretch of Miller between Arborview and 7th, where the width of Miller is narrower?

I appreciate the insight.

Thank you,

Corey
