

Seventh Street Process Committee

Minutes from Meeting on January 13, 2021

Committee members present: Julie Boland, Linda Diane Feldt, Seth Peterson

City staff present: Kayla Coleman

The Committee discussed revisions to the process recommendations, and completed a final review of the committee recommendations. The Committee recommendations were determined complete, and ready for Commission consideration. Final edits to the process recommendations were identified and planned to be completed prior to the next Commission meeting.

Two sets of recommendations from the Committee will be ready for Transportation Commission consideration on January 20.
