Subject: Cottages at Barton Green proposal

Dear Ann Arbor Planning Commission, thanks for taking my input. As a resident on Pontiac Trail I am vehemently opposed to this proposal. For one reason, the traffic flow on Pontiac Trail is already overburdened, and the other is that this will not truly be affordable housing don't kid yourselves. This is for "students?" It isn't anywhere near main campus and not really "near" North Campus either. Please consider this for what it is—a grab for money, a wolf in sheep's clothes. And further I don't really believe that we need more housing. Let the University work on their housing needs. Thanks
