## Zoning Board of Appeals;

In response to the Notice of Public Hearing postcard sent to neighbors near the area of ZBA25-0034;1369 Jewett Avenue (lot area variance request), we have no objection to this request, as long as the following issues are addressed in design:

- + adequate space for driveway to serve both houses
- + adequate parking area for at least two vehicles per house.

Thank you for the opportunity,  
Janet & Pamela Bogart
