Revised 3/26/15

DEVELOPMENT DISTRICT LIQUOR LICENSES FACT SHEET

Public Act 501 of 2006 amended the Michigan Liquor Control Code, effective December 29, 2006, to allow the Liquor Control Commission (MLCC) to issue public on-premises licenses, in addition to the population-based quota licenses allowed under the Code, to businesses engaged in activities related to dining, entertainment, and recreation, and located in city development districts.

The City Council of Ann Arbor adopted Resolution R-08-024 on February 4, 2008 establishing the Ann Arbor Downtown Development District as a development district for liquor licensing in accordance with the requirements of Public Act 501 of 2006 and the MLCC. The City of Ann Arbor has filed all required documentation for the certification of the development district by the MLCC (certified copy of Resolution R-08-024, the required map reflecting and outlining the designated development district within the boundaries of the City, and an affidavit from the City Assessor, certified by the City Clerk, stating the total amount of investment in real and personal property within the development district during the preceding five years.) and been advised that it has met the monetary threshold for 807 licenses.

To receive a Development District Liquor License an applicant must be approved by the City and the MLCC. An application for a license will not be authorized for investigation until the MLCC has received a City resolution which approves the applicant at a specific location "above all others."

Applicants must complete a City application and file it with the City Clerk with all required supplemental documentation and the City application fee. Application fees are established by resolution of City Council and the application package can be obtained from the City Clerk's office. The City will review the application and make a determination as to whether the applicant is approved "above all others" at the designed premises. The City may make investigations it considers proper in connection with the approval process or as required by City ordinances.

Upon receipt of the documentation from the City, and all necessary MLCC application forms, other required documents and inspection fees, the application will be authorized for investigation by the MLCC. The initial enhanced license fee for development district licenses is \$20,000.

Applicants for development district licenses must demonstrate, at the time of the investigation by the MLCC, that:

- The amount expended for the rehabilitation or restoration of the building that houses the licensed premises shall be not less than \$75,000 over a period of the preceding five years or a commitment for a capital investment of at least that amount in the building that houses the licensed premises, which must be expended before the issuance of the license.
- That the licensed business is engaging in dining, entertainment or recreation, that is open to the general public, with a seating capacity of not less than 25 persons.

Individuals considering applying for a development district liquor license should be aware of the following restrictions.

- A licensee may transfer ownership of the license; however, this type of license may not be transferred to another location.
- If the licensee goes out of business, the licensee must surrender the license to the MLCC. The City may approve another applicant within the development district to replace the licensee who has surrendered the license to the MLCC.
- The applicant must state and demonstrate that an attempt to secure an appropriate on-premises escrowed license or quota license which may be available within the city in which the applicant proposes to operate.

This fact sheet has been prepared for informational purposes only. Individuals considering applying for a development district liquor license are advised to contact a lawyer for advice on the application process. General informational inquiries can also be directed to the Michigan Liquor Control Commission.

16. Operating Statement – Attach a general operation statement outlining the proposed manner in which the business for which the license being proposed will be operated, including a schedule of the hours of operation, food services, crowd control, and use of facilities.

Evergreen Downtown will be operated as a casual-dining restaurant serving modern Chinese cuisine, beer, and wine. We are going to provide dining, carry-out, and delivery service as well. Our business hours would be 11 am to 10 pm on Monday, Wednesday, Thursday, and Sunday, 11 am to 11 pm on Friday and Saturday. To better implement the crowd control under post-pandemic, we limit the capacity from 98 to 47 seats and encourage our customers to place orders through our online stores during peak time.

17. Personal Statement – (App applicants must complete this requirement)

Please describe how this business will enhance the City of Ann Arbor community. What special considerations should we take into account in evaluating your application? PLEASE LIMIT YOUR ANSWER TO 200 WORDS OR LESS. Please attach a separate sheet of paper if necessary.

Evergreen Oriental Inc., doing business as Evergreen Restaurant, was established in 1992. In the past 29 years that Evergreen has served its community, we earned the alcohol service experiences with a liquor license in the current location. During the pandemic, some of the restaurants in the downtown area closed their business, and only a few Asian restaurants are operating on-campus or in the mid-town area. At this location, although it has changed owners 3 times in the past 10 years, Evergreen would like to spare no effort to diversify the diet culture and bring economic benefits to this blooming neighborhood.

I have read all of the above answers and they are true. I agree to provide all requested information and to fully cooperate with all City Service Areas requesting any and all additional information provided in this application or any attachment thereto. Any changes that occur after the date of this application, applicant will notify the City Clerk, in writing, within 14-days of such change. I understand that the falsification of the information on this form or any false statements made during investigations may constitute grounds for denial of a license.

I warrant that I am not disqualified to receive a liquor license under the ordinances of the City of Ann Arbor or the laws of the State of Michigan. If granted a liquor license I will not violate any federal or state laws or any ordinance of the City of Ann Arbor in the conduct of business.
