Eeek... The foot note highlighted below in yellow is a copy and paste problem. The "14" should be removed.

--kendall

Replace with: A person shall not sell, give or furnish a tobacco product in any form to a person under 21 years of age. "Tobacco Product" means any product that contains tobacco, is derived from tobacco, or contains synthetically produced nicotine¹⁴ and is intended for human consumption. "Tobacco Product" does not include any cessation product specifically approved by the United States Food and Drug Administration for use in treating nicotine or tobacco dependence.

Based on feedback from Kendall, here's what I'm proposing to change in tonight's ordinance. Hoping this is friendly to the body and all of you. Thoughts?

For C-1. Thank you!

A person shall not sell, give or furnish any cigarette, cigar, chewing tobacco, snuff or tobacco in any other form to a person under 21 years of age.

Subject: proposed gift rule DC-3

I propose the following substitution.

As proposed:

"This rule does not apply to attendance at educational events hosted by nonprofit or governmental entities to which Councilmembers are invited or attend. Nor does it apply to reimbursement for, or fee waiver for, travel, food, and lodging expenses to an educational event related to municipal issues provided by a nonprofit or governmental entity. If a Councilmember attends such an event, the Councilmember shall provide to the City Clerk for posting as a Council communication: a list of expenses reimbursed and provided and the nature of the educational event. When a reimbursement is offered by an entity whose governing body is composed of members appointed or approved by the Mayor or Council, that entity will communicate the availability of the reimbursement opportunity to the full Council and Council shall determine which Council member(s) will accept the offer of reimbursement."

Substitute:

When a fee waiver or reimbursement for travel, food, and lodging expenses is offered by an entity whose governing body is composed of members appointed or approved by the Mayor or Council, this rule shall be applied as follows: A Councilmember shall not accept any reimbursement from that entity, unless the entity has communicated the availability of the reimbursement opportunity to the full Council and Council has determined by a vote at an open meeting which Councilmember(s) can accept the offer of reimbursement, and the Councilmember is among those voted to accept the offer of reimbursement. Otherwise, this rule does not apply to fee waiver or reimbursement for travel, food, and lodging expenses for an educational event related to municipal issues provided by a nonprofit or governmental entity. However, if a Councilmember attends such an event, the Councilmember shall provide to the City Clerk for posting as a Council communication at the first Council meeting after the expenses have been reimbursed: a list of all expenses reimbursed and the nature of the educational event.
