Hi Jill,

I regret that I am going to have to resign my seat on the Historic District Commission. We will be moving to Novi some time in July. It is time for us to move to a better "aging in place" home nearer family.

We don't have an exact moving date yet but it's not likely to be before the 10th. Can you still use me for the July meeting?

Jill, I have enjoyed my time on the HDC and am sorry to leave. I can say, from considerable experience with Ohio CLGs/HDCs, that, against odds, you have created and manage a process that is fair, efficient, and effective for the applicants and the commissioners. The city is served well by your efforts.

It has been a real pleasure working with the group, staff, and particularly you.

With fondest regards,

Kathy
