Subject: RE: Plan of extension to 518 Miller

To: Rosalyn Barclay <rbarclay@emich.edu>

Hi Roz,

Thanks for your note!. I really appreciate your attentiveness and your willingness to reply with detail. We believe our property value increases when improvements are made to neighboring properties, and based on the drawing you provided and the fact that you are committed to maintaining the space for vehicles to turn around, we have no objection to your build.

Please let me know if you need anything else from us!

Thanks again!

Danielle
