The Downtown Area Citizens Advisory Council, which works to advise the DDA and City Council about issues and opportunities that affect downtown livability, met over Zoom. The central focus of conversation was planning for CAC meetings over the next year, during which time Peter Honeyman and Don Duquette will serve as co-organizers.

The CAC looks forward to conversations with DDA leadership on ways to be more relevant and useful to the DDA. Additionally, CAC members and active participants intend to reach out to members of the community to fill vacancies on the Council, focusing on students, renters, and underrepresented minorities, intending to produce a more diverse body.

We thank Jeff Crockett for his presentation reviewing recent volunteer activities at the Library Lot and for sharing that group's near-term plans and aspirations.
