Subject: Notice of Public Hearing Commentary

To Whom It May Concern,

I respectfully request that, if plans to demolish the houses on Mary Court are approved, any construction activity be delayed until the summer or fall of 2027. Most current residents are juniors or second-year law students who are expected to graduate in 2027. Delaying demolition until after graduation would help ensure that these students are not forced to secure alternative housing during a critical time in their academic careers.

Additionally, postponing the start of demolition would allow real estate agents to clearly inform prospective tenants that the properties will not be available for the 2027–2028 academic year.

Thank you for your time and thoughtful consideration

Lily G
