Subject: Opposed to ZBA24-0014; 3645 Washtenaw Avenue

Hello,

My name is Lilia Kim and I live behind Arbor Land in Ann Arbor. I'm writing to you in response to a notice of public hearing regarding a Sign Request which I am against and I hope you consider this email to reject the request.

If the city allows one business to have a sign like the one requested, it will open the door for the rest of the business to request a similar sign, and the city won't be in a position to reject the request.

Please vote **NO for ZBA24-0014; 3645 Washtenaw Avenue**
