Dear Craig:

It was nice to bump into you a few weeks ago while we both waited for service at Comcast. Thanks for indulging my question regarding the process of requesting that a city street be paved.

Per your instructions, this letter serves as a request to begin the process for two streets in our neighborhood: Hollywood Drive and Dellwood Drive in the 48103 zipcode. After a rather quick canvas, a number of neighbors have indicated their interest in starting the process. We are also reaching out to neighbors on Allison Drive but as yet, no one has added their name to our list.

I have noted below each property owner interested in having Hollywood and Dellwood Drives surveyed for possible paving.
