Zoning Board of Appeals

Dear Board Members,

My neighbor, Sarah Bieber, has recently informed me that she would like to renovate and construct a two story addition to her home on 1302 Prescott Ave., in Ann Arbor.

As her neighbor and a resident in this neighborhood for many years, I not only approve, but am in favor, as well as encourage these plans for renovation and any updates, that would make her house more comfortable and attractive.

I would appreciate if you would please approve the setback variance to permit the construction and/or the renovations needed to complete these plans for a second floor addition.

Thank you.

Sincerely,

Katherine Maheras
