SPECIAL PRESENTATIONS

OLD BUSINESS

Dr. Kevin Karpiak, Professor; Dept of Sociology, Anthropology and Criminology, Eastern Michigan University, Police Innovations Grant

Dr. Karpiak discussed and answered questions about the Police Innovation grant from Community Foundation of Southeast Michigan, and their partnership with ICPOC to analyze traffic stop data. Southeast Michigan Criminal Justice Policy Research Project (SMART) will aid in that analysis with support from 21CP Solutions a new Community Policing Innovation designed to support community led initiatives having to do with policing and public safety. The project will partner with the police department and municipal government to rethink the nature of public safety. By offering administrative, technical and subject area support to help in the larger assessment of traffic stop data and how it can be used to make decisions about police oversight.

Review Philadelphia Traffic Stop Model

L. Jackson discussed Bill No. 210636-A passed by Philadelphia's City Council "Traffic Code" and Making Traffic Stop Data Public and reached out to any commissioners interested in volunteering to work on a subcommittee to possibly implement a similar ordinance for Ann Arbor. Commissioners Carter and Walton have joined.

ICPOC/Community Activity for First Quarter of 2022

L. Jackson announced that effective January 1, 2022 ICPOC will meet in-person at City Hall and ask commissioners what activities would the commission be interested in pursuing the first quarter of 2022? The commission will plan a youth summit, to talk about policing and what does public safety look like in the future? Community outreach in churches and community organizations. A meet and greet with the AAPD to open up different layers of communication with the police.

NEW BUSINESS

REPORT FROM COMMITTEES
