Make a difference in a few hours that can last decades! ReLeaf Michigan, a non-profit tree organization, in collaboration with the city of Ann Arbor, Ann Arbor Department of Public Works, and the DTE Energy Foundation, is planting 20 trees at Wheeler Service Center in Ann Arbor on Friday, October 18th. These trees will increase overall tree canopy and beautify the Wheeler Service Center grounds.

ReLeaf Michigan's tree experts will be there to show volunteers how to plant a tree and oversee the event. Please wear closed-toe shoes and bring a shovel, hard rake, soil knife, hand pruners, and gloves if you have them. Event occurs rain or shine (we're a hearty group!). No planting experience necessary. Families are welcome! We hope to see you there!

To volunteer, please sign up at www.releafmichigan.org/rsvp
