Subject: Comment for 721 South Forest PUD Meeting

Hello,

I am a current resident at 721. S Forest. The leasing company sought lease renewals and I resigned my lease for the property at this address. The leasing company did not make it clear that they were seeking to tear down the building and thus ruin hundreds of residents' housing plans. I am writing to ask that the City of Ann Arbor make the owner of this property honor the leases that were signed through August of 2024 and not allow for any significant changes to the building and land until after this point.

Thank you,
Margaret Koberstein
