Subject: Comprehensive Plan

Dear Planning commission and city council,

I have lived in Ann Arbor since 1996 and on 2515 Kimberley Rd in Ward 3 since 2002. I am opposed to the proposed/planned re-zoning of the residential neighborhoods.

Ann Arbor needs a comprehensive plan to repair and update the aging infrastructure system prior to increasing density. There will be no opposition to this type of plan as it is really needed and we are affected daily by terrible road conditions, water main breaks, sewer overflow, etc.

If there is no money available for such a plan the budget needs to be adjusted and money needs to be moved around to enable to fix the basics. Smart folks fix their roof before it rains in. Every small or big household budget can be adjusted. People in Ann Arbor will support such a plan.

I hope you listen to the concerns of the people who live and love Ann Arbor.

Sincerely,

Inge Gaiser
