Subject: Questions about the A2 Comprehensive Plan

Hello -

My husband and I live at 1413 Henry St, in Lower Burns Park. We are trying to understand the A2 Comprehensive Plan. One of us plans to attend tomorrow's meeting about the plan. But we have several concrete questions where we would like answers:

1) we're wondering most about how this ensures affordable housing... do a certain percentage of the units have to be reserved as affordable? If not, why not? Other cities like Cambridge MA has required this in their recent zoning reforms.

2) How far off Packard would "multi-use" extend? Where can we see the specific zoning that would be proposed for our street/house in the new plan?

Thank you,

Christina Weiland
