Subject: Re wallingford intersection - thank you!

Hi Nick, Luke and transportation commission team,

My name is Zac Prince and I live at [REDACTED] wallingford with my wife Angela and 3 kids.

I received an update that there is a new proposal for an "all way stop concept" at the harding / wallingford intersection.

I wanted to send a quick email to voice our support for this plan and extend a sincere thank you for your collaboration with the community which resulted in this design outcome. Preserving the aesthetic of the curvy neighborhood streets while also increasing safety with the additions of stop signs is fantastic!

Thank you for your work and service to the community. It is greatly appreciated!

All the best,
Zac
