5.27.1 Summary Procedures Table

In Table 5:27-1, the initial “R” indicates that the body has authority to make a recommendation to another body regarding the application, but does not have the power to make a decision on the application. The initial “D” indicates that the body has authority to make a decision regarding the application. The initial “A” indicates that the body is authorized to hear appeals of that type of decision. The column for “Courts” is not intended to create additional rights to appeal not recognized by the Courts of Michigan, or to indicate that the City recognizes a particular right of appeal, but to indicate that there is no body within the City authorized to hear an appeal of that type of decision and that any effort to find relief from the City’s decision will need to be sought outside the City government.
