Hi Brett and Hank,

I have a question here: What is the process for formally recording my objection to a proposed PUD rezoning in the City of Ann Arbor?

On behalf of the 716 Packard, LLC (owner of the property located at 716 Packard --- AKA, Domino Pizza located at the corner of Packard and S. State St.), I would like to formally object to the proposed project known as "Five Corner" which is under review by planning department now as a PUD (much BIGGER scale of building relative to current C1A/R zoning ----- causing major issue for neighboring property @ 716 Packard property). What is the process in the City of Ann Arbor for having the objection on the record?

If there are other people that I need to contact to get the information on this process, please let me know.

Thank you,
