Hello, good evening

I was given this address to ask about a lease renewal procedure

I never received a lease renewal offer from my landlord. but he claims he sent it. I told him verbally I'd like to stay but haven't received anything in writing. He also hasn't said verbally that I can renew my lease. And now the lease is expired.

I would like to continue my lease and I'm not sure what options I have, like if he can reject me. Is there someone I can be connected with for the answer ?

Thank you so much!
