Thank you for that clarification. Do we need just one signature? I am heading out of town Friday. If Zach is unable to sign the petition, can I provide my endorsement via email?

Councilmember Ackerman,

When council approves this petition, it will be sent to Customer Service and staff will begin the process of verifying signatures. It would be helpful if a councilmember could sign the petition.

In the future, staff will add a designated signature line for council to sign as the need for a neighborhood association approval has been removed.

Hi all,

Julie and I just got an email from a constituent who has successfully completed a parking permit petition drive. She contacted Customer Service who signaled that the City Attorney and Engineering Departments believed it would meet their criteria, and instructed her to work with us.

What is our next step?

Best,  
Zach
