

**RESOLUTION TO APPROVE A PROFESSIONAL SERVICES AGREEMENT
WITH FISHEBCK FOR ENGINEERING AND PARKING CONSULTING
SERVICES FOR FY25 PARKING STRUCTURE RESTORATION**

Whereas, The DDA has managed public parking in pursuit of its mission since 1992;

Whereas, Annually the DDA undertakes necessary repairs to keep the facilities in good condition;

Whereas, Development and administration of annual maintenance and restoration work requires the work of engineers with expertise in parking structures;

Whereas, In December 2021, following a Request for Proposal process, the DDA Board selected Fishback to perform this work on an as needed basis;

Whereas, Fishbeck's cost proposal to develop and oversee the FY25 parking structure restoration work is \$123,000.00;

RESOLVED, The DDA Board approves a professional services agreement with Fishbeck for \$123,000.00 for engineering and parking consulting services related to the FY25 parking structure restoration as outlined in their proposal, with funds coming from the FY24 and FY25 Parking CIP fund.

RESOLVED, The DDA Board authorizes the DDA Executive Director to execute the Professional Services Agreement.
