Subject: No Cut Through on Lambeth - 2250 Ann Arbor-Saline Road Condominium Project

Dear City Planners and Council Representatives,

As a homeowner in the Lansdowne neighborhood, for the safety of my four children and their friends, I ask you to prevent the 2250 Ann Arbor-Saline Road Condominium Project from creating a cut-through for traffic using Lambeth Drive.

Keeping children in our community safe must be a top priority. There are many children living in the neighborhood, attending Lawton Elementary, congregating at the two sports fields located in Lansdowne for both practice and games and visiting the playgrounds spread throughout the neighborhood. A cut through our neighborhood streets threatens the safety of our children.

Please, do no compromise our children's safety. Prevent the 2250 Ann Arbor-Saline Road Condominium Project from cutting through our neighborhood using Lambeth Drive.

Thank you,
Claire Sparklin
