Subject: Street Bicycle Racks

Hello

I am just contacting you to see where I would ask about a bicycle rack being installed in front of our new restaurant, Monty's Public House, located at 3140 Packard. We have had a lot of requests from the connected neighborhoods about a bicycle rack, and I would love to have one installed or placed in one of the parking spaces in the lot, but I do understand those spaces are the city's property.

Any advice or direction would be greatly appreciated.

Thank you!
