To the Zoning Board of Appeals of Ann Arbor:

We are Kristy Kuster and Bill Lucas, professors at the University of Michigan School of Music, Theatre & Dance.

We live at 2427 Londonderry Rd on the NE corner of Londonderry and Sheridan; and looking south we have a clear view of Kelly and Randy Ross's garage and north driveway at 2505 Londonderry.

We understand that Kelly and Randy are submitting plans to expand their garage and relocate their driveway, to better fit the site of their home and their family's needs. We have seen the plans for their project, and they look GREAT!

We are currently renting 2427 Londonderry from the owners who live overseas, and we have CC'd their property manager Russ Hagy here in case the owners wish to weigh in.

We have lived at 2427 Londonderry for four years. We have watched the previous owners at 2505 Londonderry as well as the Ross family valiantly tackle their current driveway set-up through our Michigan winters. We feel that the Ross's current plans will

not only facilitate better ease in their getting in and out of their garage, but also provide a much needed curb-appeal improvement to their home's current north-facing aesthetic.

The Ross's plans look directly in line with the personality of our neighborhood, and we look forward to seeing the result!

Thank you for your consideration,

Kristy Kuster & Bill Lucas
