CITY OF ANN ARBOR

City of Ann Arbor 2013 – 2020 Park Maintenance and Capital Improvements Millage Status: **For Fiscal Year 2022**

City of Ann Arbor voters approved a six-year park millage renewal in November 2018 that funds current, ongoing improvements to Ann Arbor’s park system, which consists of over 160 parks spanning more than 2,188 acres. The table below lists park development, maintenance and improvement projects funded through your support of this millage; the fiscal year (FY) in which the improvement occurred is indicated. Also indicated on this table are park improvements made possible through other funding sources, as specified.
