Greetings,

I am a long term resident of 1335 Astor Ave. at Woodbury Gardens Complex. My building is one that is planned for demolition to make way for this new project. If this project is approved my spouse and I will be without a home.

Woodbury Gardens is the former Botanical Gardens. These apartments have character and a sense of community. If this project is approved the whole character of our community will be lost forever.

Ann Arbor currently has dozens and dozens of new high rise building going up and this Woodbury Gardens development is not wanted or needed in Ann Arbor. Please deny approval and keep some flavor of Ann Arbor for the long time residents.
