**Subject:** protest the zoning amendments of Nixon farm

Dear Ms. Beaudry,

I live in Foxfire subdivision which adjoins the Nixon farm north and south properties. I receive the rezoning notice from your office, and I strongly protest against the amendments stated in the notice.

Thanks for your attention.

**Subject:** Protest Against the Rezoning of the Nixon Farm Lands

I am protesting the two proposals submitted on behalf of Toll Brothers, Inc and Atwell, LLC.

The proposals recommend to rezone two Nixon farm lands at the corner of Dhu Varren and Nixon for developing high rise, high density and multiple family apartments.

My understanding is that if the city clerk receives **written protests** of the proposals **before the hearings** from the owners of 20% of the land within 100 feet of the property of the rezoned, the proposals needs **at least 8 votes from 11 city council members** to pass.

Please count my protest toward that number.

Thank you,

Noam Ribon
