Subject: 524 1st street support for renovation

Hello

I live at 525 S 1st, across the street from Marcia Polenberg and Ted Ramsey. I am in full support of their renovation. The kitchen is the heart of the home! And making our kitchens in our historic homes is an important part of continuing to attract and keep families living in downtown historic neighborhoods. Marcia and Ted are great caretaker of their historic home! And a huge asset to our neighborhood.
