Subject: Please pass the Adams Resolution

Dear Planning Commission,

Thank you again for all your work drafting and finalizing the comprehensive plan. Now that the Council has approved the plan (mazel tov), I'm asking that you please move swiftly to begin rewriting the zoning code. Commissioner Adams' resolution outlines the most impactful path forward - begin zoning changes immediately and focus on downtown, near-campus areas, and some commercial and light industrial corridors. The Commission should complete that work in 2026 and rezone the rest of Ann Arbor in 2027.

Today's housing crisis requires continued urgency from this body. I want to live in and I want my children to grow up in a dynamic and diverse Ann Arbor that has housing for everyone that wants to live and contribute. Your work can lead us there.

Thanks,
Bennett
