Subject: support for CLUP

Hello Planning Commission and City Council,

As a 27 year old lifelong Ann Arbor resident who can't afford to move out of my parent's house, I am happy with the latest version of the Comprehensive Land Use Plan because I think it will increase the supply of housing in Ann Arbor, which will help reduce the rate of increase of housing prices. I request that you start making significant zoning changes as soon as the plan is adopted so that one day in the not too distant future I might be able to afford to live here.

Sincerely,
Owen Curnow
