Dear Mayor Taylor:

It's with great regret I write to inform you that I plan to resign from my position on ICPOC by the end of this year. I am truly honored to have had the opportunity to serve the community and City of Ann Arbor in this capacity. I have enjoyed and learned a lot from my experience on the Commission and from my colleagues especially from Commissioner Lisa Jackson. However I plan to leave the country early January for at least three months possibly more.

Knowing that there are many good Ann Arbor residents who are eager to serve, I feel that I should step down and give other persons the opportunity to serve on this very important commission.

Sincerely

Anan Ameri
